Honorable Prescott Bush
Greenwich, Connecticut

Dear Pres:

I noted the other day that you are planning a trip to Latin America commencing about the middle of next month.

If you should happen to be in Washington any time prior to your departure, I should be happy to see you and furnish you a little briefing before you depart, if you should so desire. In any event, I hope that it will be possible to see you upon your return as I should value receiving the benefit of your comments and observations.

With best wishes,

Faithfully yours,

MEMORANDUM FOR: Mr. Dulles

You asked to prepare the attached letter to Senator Bush. However, you may not wish to send it since, in the meantime, Tracy Barnes tried to call the senator and found he was out until Sunday. He did talk to Mrs. Bush. Tracy plans to call him on his return Sunday.
